

Attention:

People working the register!
Have you seen one of these?

Yiftees are thoughtful gifts that people give to each other from their mobile phones and desktops, and pick up at local shops & restaurants, like this one!

To redeem a Yiftee:

- Customer will have a voucher on a mobile device or printed.
- Redeem like a credit card- key in 16-digit code, expiration, CVV.
- Key in address/zip (94025) if asked.
- **Do not charge more than the prepaid** amount (split transaction if needed).
